SOMETHING'S NOT RIGHT...

After the great success of the joint webinars presented in March to promote Child Exploitation (CE) Awareness Week, Barnardos and Compass are back to raise awareness of the many forms of exploitation including County Lines, online grooming and substance misuse.

Exploitation/substance misuse Awareness for Parents via Zoom

Have you heard of CSE? Do you know about County Lines? Maybe you would like to know more about substances? How to spot the signs and where to get help? Warwickshire Exploitation Team and Compass are joining forces to bring you a 60 minute virtual guide to Child Exploitation and Substance Misuse. This is a perfect opportunity to increase your awareness, ask experienced professionals any burning questions and learn more about the support that is available in your area.

Thursday 10th June – 7-8pm

Tuesday 6th July – 7-8pm

To book your **free** place please email rebecca.weaver@barnardos.org.uk or gemma.austin@compass-uk.org and we will complete your booking and send a link
