

# The summer that turns no you can't into no we can...

NCS is an experience specially designed for students at the end of Year 11 in their summer holidays.

We give your teenager 3 weeks of structured activities during the summer holiday to meet new people, try new things and cover new ground. We're all about helping teenagers realise their potential, by giving them a taste for independence and loading them up with confidence and skills so they can go on to achieve their future goals.

Each week is designed to develop different skills and help them develop personally and socially. **From leadership, project managing and teamwork, to building resilience and developing independence - NCS is beneficial for all!** NCS also provides a chance to give back to the community and make a positive impact, whilst being recognised nationally by UCAS, employers and Universities.

NCS is government-funded, so the only cost to booking a place is £50, and we also offer bursaries to reduce this if needed.

Want to find out more? Head to: [wearencs.com](http://wearencs.com). Alternatively, if you have any questions or don't think the dates will work with your summer plans, give us a call and we'll do our best to help.
