

Dear new year 7's,

We are very excited to be meeting you in September at Rugby High School. The English department would love to get to know you and hear a little bit more about the books you enjoy reading, so we've created a little task for you to complete over the summer.

We just want you to write a postcard for us telling us about your favourite book, and explaining why it is your favourite. Then, just like on a real postcard, we would like you to design an image for the front of your postcard, which relates to your chosen book. It might be a character from the book, or a place, or anything which comes from your book.

We have also included a reading list for you to explore more books. You can choose one of these for your postcard if you want.

A template of a postcard follows for you to print out, in order to complete the writing. Then you can draw your image on the other side. We are really looking forward to seeing all your amazing work in September.

Postcard
