

Year 7 Textiles Curriculum 2023-2024

During Year 7 a mini textiles project is incorporated into the Art Curriculum. This is usually during the Summer term. The theme is based on nature, flowers, butterflies and the countryside.

<u>Summer Term</u>	<u>Assessment</u>	<u>Extension/development activity</u>
<p>*Research different styles of handmade embroidered pincushions.</p> <p>* Design a series of pincushions with a range of different design proposals using pens and blended colouring pencil or watercolour wash technique to illustrate.</p> <p>* Annotate designs with technical information, stitch types and various embellishments.</p> <p>*Create a small felt pincushion with at least 8 different embroidery stitches, beads, sequins and a button.</p>	<p>*Assessed preparatory image research and designs. *Regular evaluation and verbal feedback on work as it develops.*Pincushion assessed on range of stitches and technical skill.</p>	<p>*Assist in gathering resources for more individual outcomes.</p> <p>* Check out how to create stitches online. www.sarahhomfray.com videos.</p> <p>*Watch How to videos.... The Stitch Library. www.rsnstitchbank.org/wall</p>
