

RUGBY HIGH SCHOOL SIXTH FORM

Grow in self-knowledge, confidence and ambition

A LEVEL RESULTS DAY, THURSDAY 15th AUGUST 2024

Dear Year 13 Parents/ Carers

I hope you are all well and that your son/daughter is enjoying a well-deserved summer break.

We look forward to seeing our students on results day on **Thursday, 15th August** to collect their A Level results.

Students will be able to collect their results **between 8:30 – 11:00 a.m.** They should come to the main reception at school: you are welcome to accompany them if you wish. If they have any queries following receipt of results there will be help, guidance and advice on hand in school.

I have included some information from UCAS below, detailing what happens on results day.

The Sixth form team and staff look forward to meeting with you all in August on results day, on the final part of the students' educational journey at Rugby High School.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'O. Dermott-Bond'.

Olga Dermott-Bond

Assistant Head Teacher and Head of Sixth Form

(cont'd)

Please see below some useful information from UCAS about results day:

What options do I have on results day?

Accept your firm or insurance choice

Got an offer? Congratulations! Pick a uni and secure your place. Your chosen uni will direct you on what to do next.

Enter Clearing

If you didn't get any offers, or declined the ones you've got, you can find a course through Clearing once it goes live on our search tool. Use our guide to help you out.

Appeal for your grades

Think your results need reviewing? Talk to your school to know your options, and how to submit an appeal to the exam board. You'll need to alert your uni to see if they can hold your place, or if you need to enter Clearing while waiting for your appeal.

Defer

Maybe you're not quite ready for uni. A break sounds nice, and you might even be thinking of gaining some work experience.

Inform your uni immediately if you choose to defer your studies. Most unis will hold your place for a year if you've met all conditions for entry. Be prepared to explain your decision.

Consider an apprenticeship

Have a career in mind already? A degree apprenticeship might just be the path for you. Use our guide on finding an apprenticeship for help.
