

## **Notification of variation of PAN (Pupil Admission Number) in Year 7 for September 2026**

Following a review of local demand and capacity, and in consultation with the Local Authority, the Governing Body has agreed to increase our PAN (Pupil Admission Number) in year 7 from 120 to 150. This change reflects our commitment to meeting the needs of our growing community and ensuring that we continue to provide high-quality education in a well-resourced and inclusive environment.

The revised PAN will apply to admissions for Year 7 entry in September 2026. We will continue to work closely with the Local Authority and neighbouring schools to ensure a smooth transition and to support coordinated admissions planning across the area.
