

RUGBY HIGH SCHOOL SIXTH FORM

GCSE RESULTS DAY AND ADMISSION TO SIXTH FORM, Thursday 20th August 2026

Dear Year 11 Parents,

We are looking forward to welcoming your young adult on GCSE results day! We will be delighted to invite our students back to Rugby High School so they can collect their results and be admitted to our Sixth Form, dependent on meeting entry requirements.

For further details about our admissions policy please refer to:

<https://www.rugbyhighschool.co.uk/attachments/download.asp?file=2078&type=pdf>

Year 11 should arrive at the **school reception between 8:00 – 9:30 a.m.** when they will be able to collect their results and **proceed to Sixth form admissions: we ask that students do not leave before registering for their place at RH6.**

We will endeavour to see students as quickly and as efficiently as possible. If there are any queries following receipt of results there will be help, guidance and advice on hand in school.

After collecting results and completing RH6 registration in school, the following process is followed:

1. By **7pm in the evening of the 20th your child will receive an email** confirming whether or not they have a place and confirmation of their **subject choices**.
2. They will need to **reply by return of email by 11 a.m. on 21st August** to confirm if they accept OR decline the place and **their subject choices.** *(If they do not do this, they may lose your place!)*
3. If accepting the place you will need to **complete and return the key data collection form that will be sent via email, by Monday 24th August.**

The Sixth form team and staff look forward to meeting with you and our Year 11 students in August on results day, on the next part of their educational journey as an A Level student at Rugby High School Sixth Form.

Yours sincerely,

Olga Dermott-Bond
Assistant Head Teacher and Head of Sixth Form
