We are delighted to offer this exciting opportunity to join our fantastic school as a Science Technician, to provide support to enable the smooth running of lessons with a focus on practical activities, and to maintain a safe working environment. This can be a physically demanding role.

Rugby High School is a successful, calm, respectful and welcoming school, it is a delightful environment in which to work. We currently have 960 students on roll who are all motivated, well-behaved and value their education.

Key responsibilities include:

- provide and prepare resources for practical lessons that meets both the health and safety standards and the requirements of the classes involved
- provide general assistance in the safe storage, transit and accessibility of resources
- support the Senior technician team in providing and maintaining a healthy, safe and a productive work environment through the routine maintenance and cleaning of equipment, laboratories and prep rooms
- Contribute to the school's statutory duty to safeguard and promote the welfare of children

We can offer:

- a strong and well-established science department and senior leadership team
- a stimulating working environment
- well-motivated staff and students
- full training will be provided
- professional development
- a local government pension scheme

The appointed candidate will have a varied and busy day, working in a school with a strong tradition of academic success, pastoral care, and extra-curricular enrichment.
