Trips and Visits at Rugby High School

Here at Rugby High we are committed to providing a diverse programme of off-site activities; from evening theatre trips and visits to historical sites to skiing and challenging our students (and staff) at in the UK and in remote regions for World Challenge.

Although we cannot give you a complete breakdown of every activity (we usually organise over 90 trips per academic year), we thought it would be helpful to give you a flavour of the residential trips that we usually offer:

YEAR 8

Wimbledon/London (June)

Normandy Opal Coast (July)

YEAR 8 & 9

Ski Trip (February)

YEAR 9

Outdoor Activity Experience (July)

YEAR 10,11,12

Classics trip to either Greece or Naples (July / October)

YEAR 11 & 12

World Challenge (usually July & August)

YEAR 12 & 13

Physics trip to CERN, Geneva (July)

*Please note the above trips do not necessarily take place every year or are guaranteed to.

In addition, we organise Geography fieldwork trips, visits to universities, lectures and study skill talks, and numerous Science and Engineering activities.
