## What a Success!

Mia to instrumental Chinese folk music.

On Friday 3<sup>rd</sup> May, Rugby High School hosted the 2019 Rugby High Open Mic Night, organised by the Charity Committee to raise funds for Dementia UK.

Performers on the night dazzled the audience with their talent and variety, ranging from a rock band to poetry, from singing Mamma

The event was a great success, with the hall comfortably filled to create a warm and supportive atmosphere, and delicious freshly baked cakes and brownies on sale as well. Overall, £210 was raised from the evening, which will be going to a brilliant cause, helping those with dementia and their families.

Thank you to everyone who performed and attended - we hope you enjoyed it as much as we did!

## Staff in the Spotlight: Mr K

What 2 things would you take to a desert island?

Mr K would take a drone, because he enjoys flying things and a camera as he loves photography. Recently, Mr K has actually had some of his photos published by the BBC.

What is the most exciting thing you have ever done?

Among Mr K's many adventures he would say that there are two things that stand out. He has walked 18km along the Great Wall of China and gone to its peak and also ridden a 2km zip wire in Costa Rica that was over 300m high! In addition, he has flown a helicopter and had flying lessons.

What is your favourite food?

Mr K's favourite food is Lahmacun, which is also referred to as Turkish Pizza, and he would describe it as flatbread with some meat and spices. However, Mr K likes all Middle Eastern food but Lahmacun comes top of the list.

What do you enjoy about working at Rugby High?

Mr K enjoys the challenges he faces and also the community here at Rugby High School.

What hobbies do you have?

Mr K enjoys swimming, running and flying his drone. He also loves taking photographs and sometimes writes for certain newspapers in Turkish.

What is your favourite book?

Mr K's favourite book is 'Brave New World' by Aldous Huxley. At the moment, however, he also loves all the Terry Pratchett books too.

If you could teach any other subject what would it be?

Mr K is also qualified to teach Geography and History so he would teach those. In general, he is open to teaching any Humanity but would definitely not like to teach Maths!

## Looking for something to read? KS3 Book Recommendation

Marinka dreams of a normal life, where her house stays in one place long enough for her to make friends. But her house has chicken legs and moves on without warning.

For Marinka's grandmother is Baba Yaga, who guides spirits between this world and the next. Marinka longs to change her destiny and sets out to break free from her grandmother's footsteps, but her house has other ideas...

## Trip to Spanish Tapas Restaurant

On the 1<sup>st</sup> May the Year 10 Spanish students were given the opportunity to visit the Catalán Tapas Restaurant in Warwick. It gave us the opportunity to get a glimpse into Spanish culture as we were able to try typical Spanish dishes, many of which we had never tried before, in a typical Spanish environment.

Although at first there were some obscure foods that we were less keen to try, we were all encouraged to give them a go and were surprised by how delicious they were. Our wonderful server, Alain, encouraged us to speak as much Spanish as we could when asking for anything or giving our personal opinions on the food which gave us the chance to expand our knowledge on common exchanges which would happen in a Spanish restaurant.

The experience was very enjoyable and, as well as having fun we also got to see a little insight into what Spanish tapas restaurants are like.
